

Information Technology Exchange (ITE) is a 501(C)3 Nonprofit corporation that was founded in 2002 for the purpose of increasing technology access and literacy

Exchange (ITE) is a

In 2019, ITE merged eWaste Alternatives and PCs for MAINE into a single comprehensive operation named 'give IT. get IT.' that collects and processes retired corporate technology for reuse to support nonprofits and disadvantaged Individuals and Families who need technology access, training and support to achieve an important personal, educational and/or employment goal.

Our leadership team is responsible for stewardship of the mission, resources and operations of the organization.
